Detectamark Spectrum
Watermark Detector

The Stanley Gibbons Detectamark Spectrum makes it easy to discover hidden rarities. It’s simple to use and the versatile colour settings and adjustable light source provide additional help identifying more difficult watermarks.

KEY FEATURES
• Easy to discover hidden rarities.
• Unique multiple colour settings.
• It’s able to detect watermarks on modern stamps printed on thick, chalk surfaced papers with full gum, which other detectors fail to identify.
• No chemicals or solvents are used making this safe, clean and highly effective.
• Lightweight and battery operated.

R2570 £149

Dual Wave UV Lamp

The archetypal tool to detect phosphor papers and inks for the majority of 20th Century Machin stamps of Great Britain, Israel, Canada, Mexico, Finland and the USA, and the early phosphors of Norway, France, Hong Kong, People’s Republic of China, and Russia.

KEY FEATURES
• Broad wavelength covering short-wave and long-wave phosphors.
• Detects fluorescent bands, papers & other devices.
• Detects cleaned pen cancellations and paper repairs.
• Due to its unique design it can be used in daylight.

R2573 £119

LED Inspection Stand Magnifier

Extraordinarily powerful 8x magnification desk inspection loupe. Durable all-metal body, excellent fixed-focus 30mm glass lens and three bright LEDs for even highlighting of subject. Base of loupe has a 45mm opening and a clearance/focal length below the lens of approximately 20mm. A clever fold-out rule helps measure dimensions and scale if required. Takes up 60mm x 60mm footprint on desktop; overall height just 45mm. Supplied with protective case and batteries.

RISMBX £34.95

Dome LED Magnifier

Easy Operation Dome Magnifier with LED light. To turn on/off simply push down lens or rim gently. 60mm diameter lens, 2x magnification.

RDLM2X £32.95

Linen Tester

A folding magnifier with 1”/26mm glass lens and metric/imperial measuring gauge. The body is made from metal, making it exceptionally durable as a solid working tool on the desktop. Achieves pinpoint magnification up to 6x. Supplied with protective case.

RLTM6X £17.45

Jewellers Loupe

This robust pocket loupe of metal construction (chromed) with 10x magnification and a 21mm viewing field. The lens provides a sharp, distortion-free image with excellent strength and clarity. Supplied in a case.

RJLM10X £17.45

Senator Standard/Medium

A standard springback album, the Senator Standard is supplied with quadrille leaves and features a gilt spine title.

Over the past 12 months, a number of changes have occurred to our product range. Whilst the purpose of this has always been to increase flexibility for collectors, we understand that collectors will have to adapt how they collect. Below is a comprehensive guide to what has changed.

**FAQS**

**WINDSOR**
For our Windsor collectors, there is only a relatively small change, the supplements and printed pages are unchanged. For the Sovereign and Popular binders, we have direct replacements.
- Windsor Popular Binder is now replaced by the Regent Binder.
- Windsor Sovereign Binder is now replaced by the Kensington Binder.

**ONE COUNTRY**
Our One Country collecting system has had a large overhaul, with a decision to move away from the 4-ring binder to the 22-ring binder adding durability to leaves and robustness for the binder.
- One Country Binder is now replaced by the Sandringham 22-ring Binder.
- One Country Great Britain only is now replaced by the 22-ring Monarch pages.
- One Country Channel Island and Commonwealth have been replaced by the Stanley Gibbons Luxury and Standard Albums.
- Annual supplements in their original formats GB (4-ring), Channel Islands (22-ring), Australia, Canada and New Zealand (4-ring) will continue to be produced.

**DEVON ALBUM**
With the Devon album, there is no direct replacement. You can purchase the Kensington album with our Quadrille leaves in 140 or 240gsm as an alternative. Contact our customer services team and order your Devon Albums before our stocks run out.
- The Devon album is still available via our Customer Service Team.
- If you want blank/quadrille leaves, you can purchase these with a Kensington Binder.

**SIMPLEX**
For collectors accustomed to using the Simplex range, there is a small difference to how you will collect. For our Windsor collectors, there is only a relatively small change, the supplements and printed pages are unchanged. We have in the Regent Binder a direct replacement Binder and our Quadrille Leaves are the same size as the old Standard Leaves but are now cream instead of white.
- The Simplex Medium Leaves are replaced by the Quadrille 140gsm leaves.
- The Simplex Medium Binder is replaced by the Regent Binder.

**AVON**
Our Avon Binders is now replaced by our Sandringham Binders, allowing for greater versatility in the way you collect, whilst still being at an accessible price point.
